H. REPORTS

- a) July 4th is coming along fine. Fireworks will be here in a couple of weeks. Time received a call from 811 and is good to start drilling holes for disc golf at Elk's Park. The final invoice for RTU's was received and paid. Noticed some new holes from water coming out of the gutters, need to have gutters looked at to move away from the building. The red rock that was donated was delivered and laid out at Elk's Park. Tim will get a hold of Mike Hayes to fence off at the golf course. Richard has been spreading stuff for the Mormon crickets at the golf course. There have been many complaints on Facebook about the playground, Richard patched the holes in the surface, along with other things. 2025 budget look into replacing playground. The board asked if there was a curfew at the park? Time is going to look into this, and also possibly lock the bathrooms at night to keep vandalism from happening. Larping event went well no complaints, generated \$1,050.00. The next larping event is over Labor Day weekend.

I. NEW BUSINESS

- a) Clark approached about a couple greens that are rough. A lot more mossy spots. Brielle mentioned a couple more water coolers on holes. New signs hang over into the driving path holes 5&8.
