H. REPORTS

Two contactors will be here Tuesday 11/15/24 at 11:00 to do a walk through along with the building inspector. The size of the pipe for the pool when the remodel was done was a 4" but according to the building inspector it should be a 6" or 8". If we went with a 6" or 8" pipe they would have to crack the pool to make the adjustment. Bids are due October 31st. We almost have all the materials for the fence at the golf course. Russ with Utah Gas donated and Bud Striegel is getting some pipe cut and delivered to the golf course. Some people are interested in buying the land that we currently own by the river, not looking to sell at this moment.

I. NEW BUSINESS

- a) All board members were given the preliminary budget- things will change throughout the next month until the final budget approval in December.
